*'If singing, playing of instruments, dancing, painting, architecture, wearing of clothes and eating habits are part and parcel of the cultural life of any community; then no culture can be identified and distinguished by the name of a religion. In fact, all arts and crafts existing today, have evolved from very ancient times much before today's organised religions were even born and established.'*

**Babar's Will-**

**Son, this Nation Hindusthan has different Religions. Thank Allah for giving us this Kingdom. We should remove all the differences from our heart and do justice to each community according to its customs. Avoid cow-slaughter to win over the hearts of the people of this land and to incorporate the people in the matters of administration. Don't damage the places of worship and temples, which fall in the boundaries of our rule. Keep the people following different customs integrated into a single whole so that no part of the body of this Kingdom becomes diseased.**

(Translated from the original - National Museum)
